APEX STREET LIGHT

Equipped with high-lumens LEDs and a robust heat-dissipation system, our Street Light guarantees stable lighting output. Its waterproof, dustproof housing makes it ideal for all outdoor environments.

Apex Street Light	
General Characteristics	
Product Code:	HT-ST03-50 to 200W
Material:	Die-cast Aluminum
Grade:	Industrial
Rated Life:	>50,000 hours
Protection:	IP 66
Warranty:	UP TO 05 Years
Make:	SKYLED
Size: Small	422x318x136mm
Medium	522x318x136mm
Large	853x318x136mm
Optical Characteristics	
Beam Angle:	70°*140°
Color (CCT):	3000K,4000K, 6500K
CRI:	> 70
Source:	Lumileds
LOR:	>90%
Lumens:	150lm/W
Cover Optics	Tempered Glass + PC Lens
Electrical Characteristics	
Wattage:	50 to 200W
LED Driver:	Philip / Meanwell / Lifud
Input Voltage:	AC 100V TO 265V
Frequency:	50 / 60Hz
Working Temp:	-20° C TO 50° C
Power Factor:	>0.95
Energy Saving:	Up to 80%
Compliance:	PS, CE, RoHS

Safety First

Turn off the power at the main circuit breaker, not just the wall switch.
Use a voltage tester to confirm the fixture is dead before touching wires.

Turn the power back ON.
